Edge Magazine publishes a mindless article called “Elevated”

MB On The Cover Of Edge Magazine Spring 2013
To read MBs Interview in the article online go here: <http://edgemagazinesite.com/mindless->

The Highlight of this interview was when ray said he "When we say women we don't mean cougars or anything. We're talking 17 and older. You've got to have your own style and confidence. You have to have a good mindset. You have to have a future for yourself." A lot of TM Tumblr made

posts expressing their feelings even me (with just one post) Some were hurt, some gave no fucks, but who really cares eh???

MB tweets "Y'all we're getting pumped for our All Around The World vid premiere on Monday! Are u? We'll follow you if you tweet this: #3DaysToAATWVideo."

MB tweets 20 minutes later: "Y'all we're trending #1 worldwide and in the US! Thank you so much, we have the best fans in the world! #3DaysToAATWVideo."

We learn that: "PRLog (Press Release) - Mar. 1, 2013 - Wednesday, March 6th, 2013 at 9:00PM EST, MyFierceWings Radio, the hottest new entertainment source/show will have Bran-

Mindless Trends on Twitter for the month March 2013

When TM Got MINDLESSBEHAVIOR2013 Trending

We had some hashtags trending this month. Amongst those were #MINDLESSBEHAVIOR2013, #AskTM, #3DaysToAATWVideo, and #FakeTMBeLike. #MINDLESSBEHAVIOR2013 was trending on March 23 because it was the night of the KCA's and MB wasn't on there so I guessed TM decided to show their appreciation for MB even though they didn't need an award to show for their accomplishments

they sure had A LOT going on this month. #AskTM trended probably because TM was bored. (3/3) #3DaysToAATWVideo trended on Mar. 1 cuz we were ready for that video to come out. #FakeTMBeLike trended on Mar. 21 where TM was tweeting stuff that fake fans would say and TM Tumblr also participated. Here are some examples: "A\$VP_Spiffy @Rayraygirl804 #FakeTMBeLike Rock cut his

Mohawk off ONG BOUT TO CRY □ □

Princess MISFIT★★★ @Princeton_gyal #FakeTMBeLike I love MB's song Girls Walkin Bout

#12_OnDaCourt♥ @Obeyy_Cici143 #FakeTMBeLike I hate how Prod iz engaged to Star... aint she da 1 wit dem stank azz leggingz

Overall some were funny, and MOST of them repetitive.

MARCH 26, 2013

NATIONAL SHADE DAY DECLARED BY TM TWITTER BECAUSE OF THE WHOLE MISFITS VS. MSFTS TOPIC AGAIN.

Mindless Drama

As usual there will be drama within the fanbase. Here are some highlights: Ray Ray and Amanda, "raycling," ppl on twitter leaving TM, Prince, bella and Joshhall818 drama on IG, Ray gave a s/o to star on the AATW, Max said on twitter that Prince has a girl, Princeton and paris drama again, From the choiceFM interview with max and someone mentioned that

prince was dating a girl, ray throwing shade at star because of the whole tutu thing, national prodigy day, AATW album rivalry and how the prodigy covers weren't selling, bahja, star and ray drama, roc and nique are dating because roc was missing from some interviews, ppl uploading parts of AATW on youtube and spoiling the

move for others. Hunni and breana, rumour about MB breaking up and that they will go to college and that roc is leaving MB, roc don't like girls in TM cuz they only want him for his money (interview), Madison petis on IG asking prince to text her, roc missing again, prince, zendaya, jaden throwin shade, ppl calling prince gay (#ThisIsME IG pic) he was doing along with zen, etc.

All Around The World Video

Finally AATW video came out on Vevo on March 4, 2013. TM Was spazzing out.

TM's thoughts about the video

The above were from the youtube comments.

The above pic is a collage of screencaps from the video.

All Around The World Album

TM can still preorder the album or you could purchase it in stores exclusively at Target for \$12.99. You have 5 albums to choose from. Most ppl bought the group album. On March 5 TM had the option of preordering the album @DTLR plus a signed cd booklet and thank you card. Ppl were releasing more snippets from the album. Til this day some of TM dislike "I Lean" becuz of the auto-tune for prod's voice and soulja

boy's presence on the album. Also the ppl who pre-ordered the album scanned pix off their album and posted them on tumblr (mar 11). The physical deluxe album came out on Tuesday March 2013. TM were posting, Facebook, tweeting, instagraming, and youtubing their pix of them and their album(s) with the world. The deluxe album came with a free download of the fan version for AATW (verse) for fans to

download. Awesomenesstv has released some new cities for team mindless to see the movie on March 29. The new list of cities included: Knoxville, Madison, and Richmond (Tennessee in theatres 4/5). Some more cities are: Richmond, Charleston and Savannah.

All Around The World Movie Premiere and Movie

MB held some contests for TM to enter so they could fly out the winner and their parent/guardian to L.A. For the movie premiere. It was a Sunday March 10 that MB held their AATW movie red carpet premiere where numerous celebrities attended the event such as Madison Petis, Zendaya Coleman, Spoken Reasons, etc. Even Diamond Williams the winner of the

Your Lyrics, their voices contest attended (AATW fan version song) The boys performed some songs. A highlight pic moment was when Princeton and Behlen (p's cousin) were holding hands during the movie. She posted it on her IG. Even Spoken Reasons was there and he tweeted "It's always a good look when u can change peo-

ple's opinions. Just saw Mindless Behavior's movie premiere. Those boys deserve it all #FCHW"- @SpokenReasons

When the movie came to theatres in selected cities at AMC (mar. 15) ppl took photos of them at the movies and their tickets. Afterwards they posted their experience from the movie. Someone posted a clip from the movie on youtu-

MB is now on keek!!!

Yes you heard right! The boys are on keek and they are all verified. Prod's keek used to be Prod_the_G but now it's Prodigy. Roc's keek is i_D_K, prince's keek is: misfit-prince and ray's keek is: 2wice. They told us this info via their IG's and we were so happy!!! But both prince and roc already had keeks they

didn't make videos on them. We get little glimpses of entertainment from the boys of how they are really like. Almost like MB cam, but individually. You get to see their personal lives away from ustreams, interviews, vlogs, and awesomenesstv episodes. And at other times they'll be on other ppl's keek videos as

well. So far prod and prince posted some videos and prod deleted some and prince has deleted one. The other two boys kept all their videos. So be sure to subscribe to their keeks so that you will be notified for any new videos from them! ^_^

All these fact pages on twitter popping up: @JacobFacts, @ProdFacts, @ChresantoFacts, @bahjafacts, @Niquefacts, @RayanFacts, etc. This hate page on IG by the name of lm_juju_jerry was a racist bitch calling MB niggers, Gay and even wishing death on poor tay tay. brother) has a new born daughter named Ari Jenelle Armour (mar. 25) Some more hashtags: #PrayForTayTay, #ProdTwerkTeamNames, #BecauseofMB.
